Work Experience

Amazon (Contract)
UX Designer
May 2020 — Present
Seatte, WA

Working with the Alexa Design System team. Designing and prototyping a design tool to create device agnostic experiences for Alexa enabled devices.

Delta Air Lines
UX Designer, Innovation Intern
Jun 2019 — Aug 2019
Atlanta, GA

Designed and prototyped an end-to-end baggage transfer service resulting in an effortless customer experience while saving cost for Delta. Conceptualized human-machine interactions for safer and optimized below-wing operations, currently in deployment.

Myntra
Software Engineer
Jul 2015 — Oct 2016
Bangalore, India

Designed and developed web apps to increase platform reliability, resulting in a better user experience. Scaled throughput by 10x for high-traffic services. Researched and designed a bot to recommend apparels matching buyers' purchased item.

Myntra
Software Engineer Intern
Dec 2014 — Apr 2015
Bangalore, India

Prototyped and successfully tested an augmented reality dressing room (virtual trial room) experience on the Microsoft Kinect.

Projects

Cascade Redesign
Visual Design
Jan 2019 — Mar 2019

Redesigned the Cascade Bicycle Club's website and created a brand guide which could effectively communicate their message across media and bring more members and volunteers on-board.

Expedia
UX Research
Jan 2019 — Mar 2019

Conducted 7 usability tests to improve Expedia's Lodging Shopping experience. Compiled a usability report tracking issues, bugs and enhancements with recommendations to improve the experience.

Clothing Recycling
UX Research + Design
Oct 2018 — Dec 2018

Using human-centered design principles, prototyped a mobile app to help households recycle clothes. Shared findings with King County and City of Seattle officials.

Awards

Boeing Innovation Challenge
Jan 2019

Winner - Designed a cockpit AI assistant that helps pilots with situational awareness and decision-making.

Facebook Design In The Wild
Jan 2019

Finalist - Presented our team project on Clothing Recycling. Also featured by Facebook at IxDA 2019.
